

Fitting for narrow head- and armrests, infinitely adjustable. FricoFlex platform concept

Do you want to be on the market with a wide range of furniture? And still produce leanly and economically? Then FricoFlex is the perfect adjustable fitting for you. Because the possibilities are almost unlimited and the low complexity of the fitting makes FricoFlex particularly attractive:

The FricoFlex platform concept allows you, with little effort, unlimited variety in functionality and design.

Technique in short

- ▶ Fitting completely pre-assembled
- ▶ Adjustment range up to 270°
- ▶ Wide range, numerous differentiation possibilities
- ▶ All desired positions are reached steplessly and noiselessly
- ▶ Can be mounted on wooden frames and tubular frames
- ▶ The uniqueness of the FricoFlex is expressed by constant torque at the time of delivery and an almost constant torque over the entire over the entire service life

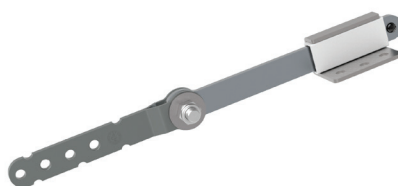

FricoFlex platform concept
